

## OUR PREMIER PROGRAM FOR THE YOUNG ACTOR

### STAGE COMBAT WITH CHRISTINA GORMAN

#### STAGE COMBAT for Ages 12 & up 3 WEEKS

This class is designed to get our students moving! In this fun physical class, students learn unarmed stage combat leading eventually to a brief fight scene towards the end of the class. Safety is stressed at all times. As such, students are challenged to be responsible for keeping themselves and their partners safe while still playing the reality of the fight choreography. Trust exercises, physical games, and other movement principals will also be introduced in the class.
